

## Key messages

Continuing professional development (CPD) is essential in many professions. The Neurophysiology Education Day at The Children's Hospital at Westmead targets Clinical Neurophysiology Scientists/Technologists/trainees and students across NSW. It aims to promote Neurophysiology as a career and provide opportunity for networking and CPD. The joint collaborative effort from the Neurologists, Nurse Consultants and experienced Scientists and Technologists will strengthen the long-term sustainability of the profession.

## Travel information

The Children's Hospital at Westmead is located on the corner of Hawkesbury Rd and Hainsworth Street, Westmead and readily accessible by car or train. Parking is available at the visitor parking station located on Hainsworth Street (near the roundabout) and costs \$17.50 per day.
